Now, weaving is as portable as knitting! Use up your stash and complete your projects in half the time. Make handbags, baby blankets, scarves or just some simple coasters to start out. Easy and fun to make, pin loom squares can be woven in minutes and require only small amounts of yarn. You can even weave them while on the move! Choose from a variety of looms available one favorite is the Zoom Loom. An updated version of a classic pin loom, the Zoom Loom is thoughtfully designed with some smart details that make weaving a breeze, but there are others available or you can easily make your own by knocking some nails into a piece of wood. One of the first instructional full-color
