Maria Kelly : 1000 Great Cross-Stitch Designs before purchasing it in order to gage whether or not it would be worth my time, and all praised 1000 Great Cross-Stitch Designs:

6 of 6 people found the following review helpful. Not the bestBy Cheryl JI wish that I would have paid closer attention to the other reviews. I would have NEVER purchase this book. I have looked through it at least 10 times and I still cannot find a single pattern that I want to try. I think it is a book that is good for kids, young kids. I recieved it quickly and the patterns are real easy but I have to admit that I was highly dissapointed.0 of 0 people found the following review helpful. Four StarsBy J.X. der MeerNice cross stitch book.0 of 0 people found the following review helpful. Five StarsBy Janet FinleyGood resource.

Cross-stitch fans, rejoice! Here are 1,000 exciting cross-stitch motifs suitable for embellishing clothing, gifts, draperies, or anything else under the sun. The stitches are organized by category, and include such motifs as flowers and foliage, celestial bodies, favorite pastimes and hobbies, and many more. Using a palette of only 30 thread colors, you can turn that ordinary tablecloth into a treasured family heirloom with Christmas-themed embroidery, or add

fantasy creatures such as angels, mermaids, or playful dragons to brighten a lucky child's outfit. There are instructions for using the provided charts, thread recipes for each motif, and advice for mixing-and-matching the motifs to create wonderful samplers or scenes of your own design. With the endless ideas provided, you'll never run out of projects.

About the Author Maria Kelly runs a highly successful cross-stitch design business. She has contributed to Cross Stitch magazine, and also works as a photographic stylist. Her first book *Cross Stitch for Special Occasions* was published in 2001. Maria lives in London, SW20.
