Distinguished Japanese quilt artist, teacher, and author Yoko Saito is known for her beautiful quilt designs. In fact, she is a master at many different handwork crafts. In this book, Ms. Saito has created embroidery patterns for 120 original designs. She often combines embroideries with both applique and quilting to create what she calls "patchwork embroidery." In addition to 120 embroidery designs, she includes 20 patchwork-embroidery projects that include bags, wall hangings, keepsake boxes, and more.
