Maruscha Gaasenbeek : 130 New Iris Folded Cards to Make before purchasing it in order to gauge whether or not it would be worth my time, and all praised 130 New Iris Folded Cards to Make:

Simple in its technique and execution, iris folding involves folding paper to create beautiful, spiral patterns similar in shape to the aperture of a camera, and this inspiring guidebook provides both templates and clear, step-by-step instructions for a broad assortment of iris-folded designs. Each design in this collection devoted entirely to greeting cards varies in its complexity and sophistication, with an equal number of projects suitable for beginning, intermediate, and advanced crafters serving as a complete sourcebook of creativity and ideas for all card-giving occasions.
