Great InformationBy Beverly KolzAfter looking through this book for only a few minutes, I'd located several recipes I wanted to try. I will be preparing the lemon balm punch for an Herb Society event next weekend and look forward to serving many more of the recipes this summer and winter. The size and format of this book (small) make it easy to keep handy in the kitchen.0 of 0 people found the following review helpful. I EXPECTED MORE.By /beatrice J.
