**Jan Eaton : 200 Crochet Blocks for Blankets, Throws, and Afghans: Crochet Squares to Mix and Match** before purchasing it in order to gauge whether or not it would be worth my time, and all praised 200 Crochet Blocks for Blankets, Throws, and Afghans: Crochet Squares to Mix and Match:

0 of 0 people found the following review helpful. great pattern bookBy vickilove the patterns in this book, I sent this to my sister as I have one already and not only was she thrilled but has been busy every since creating new blocks fast shipping too much faster than I thought it would be great product highly recommend1 of 1 people found the following review helpful. An Essential in the Crocheter's LibraryBy CJfromJPI've crocheted for 45+ years and made just about everything you can crochet - from clothing to home decor to decorations - and always on the lookout for patterns to inspire and make. This book is excellent on a couple of levels - the variety of patterns and ideas for putting them together, the instructions on making stitches is solid and easy to follow, good for everyone from beginners to the experienced crocheter looking for more of a challenge. A good pattern book should not only give you the basics and some projects to follow, but also fire your own imagination to use their ideas as a jumping off point to make your own creations and this book does both. If you know a crocheter, or someone thinking of trying their hand at this craft, this is a book they will treasure.0 of 0 people found the following review helpful. I have read much about this particular book and just ...By sockstitcherI have read much about this particular book and just had to get it. I have spent quite a bit of time just drooling and plotting my next project. Well worth the money.

From Art Decoinspired geometric designs to traditional checkerboard stripes and elaborate motifs, this guide helps crafters rediscover crochet with more than 200 fabulous block patterns. Employing traditional styles and contemporary colors, crocheted blocks inspire crafters to create a dynamic palette of color, pattern, and texture by mixing, matching, and combining. Step-by-step instructions accompany each pattern, along with stunning photographs that encourage crocheters to explore a range of color combinations and coordinates. A directory of blocks is cross-referenced with symbols that describe the techniques used and the degree of difficulty, and each pattern is designed so that finished blocks are the same size when they are worked in yarn of the same weight. A useful refresher course of crochet stitches and techniques is included, as are patterns for edgings and instructions on making fringes to finish off afghans in style.

"A must have for your crochet library." - Eva Owsian, BellaOnline  
"An ideal reference for groups who are getting together to crochet squares...There are great photographs of all 200 blocks." - Knitting News  
"Get rid of 'crocheters block' with this brand new sampler of fast, fun and fabulous designs...this book is a must!" - Country Afghans
