Accord Publishing : 2004 Easy Origami Fold-A-Day Calendar before purchasing it in order to gauge whether or not it would be worth my time, and all praised 2004 Easy Origami Fold-A-Day Calendar:

1 of 1 people found the following review helpful. Good projects! By Stephanie Bryant OK, so I'm only on Day 11. So far, the models are very simple, but looking ahead, I see the diagrams and projects get more complex (I'm an advanced-beginner origami artist). They build on your existing skills (from the previous days), so don't skip around! I may have to take this calendar home-- I'm going to have too much fun at work! Note: there are a couple of extra days of pages that you can also fold. I gave a 4 because of a fundamental design problem that really can't be helped-- the sheets have color paper on one side and the diagram on the other, and they don't look too great when your folding shows off the diagram side (in normal origami paper, that side would most likely be white). Also, there's no easy way to save a diagram unless you keep spare paper around (so you don't fold that diagram up!) However, if you do keep spare paper about, then you're all set! [I keep my favorite origami diagrams in a three ring folder with spare paper.] 0 of 0 people found the following review helpful. Great way to start getting into origami By ameliname I enjoyed several years of this calendar, including 2004. Great, simple instructions that led me from beginner to intermediate origami folding! Not all are "traditional" origami, but the calendar addresses that in an informative way. Each year has some different patterns, but many are picked up from the calendar before as well, so it's not 365 new patterns, but that was fine by me

Don't throw yesterday away - Just fold it! Who needs a "Zen Garden" when you can create 100's of figures including animals, flowers, birds, and Christmas ornaments, each day. Patterned Paper, Illustrated folding instructions, 100's of

NEW Origami models, Weekend papercraft ideas, and PERFECTLY SQUARE PAPER in Origami size 6" X 6" color pages!
