Lesley Jackson : 20th Century Pattern Design, 2nd Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised 20th Century Pattern Design, 2nd Edition:

0 of 0 people found the following review helpful. This is an excellent, informative bookBy Mark MussariThis is an excellent, informative book. It's thoroughly researched, well-illustrated, and presents an historical framework for the development of modernist textile designs in the 20th century. Each chapter features sections arranged by geography, so the reader can see how design movements occurred in countries and then influenced textile designers in other countries.4 of 4 people found the following review helpful. Fabulous!By jujuThis is a great book to read and a delight to pore over the designs - to see them in context with the times and in historical chronology as the styles morph with the world around them.0 of 0 people found the following review helpful. Five StarsBy artloverVery good examples of textiles and wallcoverings. Eye candy.

The first book to examine pattern as an essential part of twentieth-century design history is now available in paperback. Organized by decade, 20th-Century Pattern Design details the technical innovations that affected the

development of modern textiles and wallpapers. Vibrant patterns bold, colorful, muted, delicate, intricate, splashy, spare, figurative, abstract, dizzying, calming abound in this comprehensive reference. Featuring stunning color plates and lively text, this book takes readers on a tour of twentieth-century patterns from around the world. Focusing on surface patterns in the home, author Lesley Jackson draws frequent parallels to the worlds of fashion, packaging, and graphics and explores the relationship between painting and pattern design. *20th-Century Pattern Design* is an invaluable resource for modern design enthusiasts and historians, collectors, and interior and graphic designers.
