**Thomasin Alyxander : 26 Quick Stitched Elements: Endless Jewelry Possibilities** before purchasing it in order to gauge whether or not it would be worth my time, and all praised 26 Quick Stitched Elements: Endless Jewelry Possibilities:

2 of 2 people found the following review helpful. Smart, Useful, Fun Book! By Graehound These components really are quick to stitch, interchangeable with others in the projects compiled toward the back, and very versatile. I am quite pleasantly surprised by the quality of the printing, coloured pictures, straightforward diagrammes, and simple instructions. Definitely a great addition to any beader's library, whether beginner or advanced! 2 of 2 people found the following review helpful. Quick Beading By M. Czar I added this book to my collection. How to stitch something quick and have it look great. I like the use of all the new two hole beads and what you can do with them. With all the ideas and different types of beads the jewelry projects and ideas are endless. Go on create. 1 of 1 people found the following review helpful. But my experience with that project was a good one, Looking through the book I have many ... By

Patricia Murphy I have had only one opportunity to do a project from this book so my review is based on that project only. But my experience with that project was a good one, Looking through the book I have many other projects I want to try but expect a review at a later date would be more meaningful.

26 Quick Stitched Elements teaches you how to use the latest shaped beads, seed beads, crystals, and more to make 26 different stitched elements. Then connect and combine these elements using stitching techniques to create 22 colorful and fun earrings, bracelets, and necklaces. With easy-to-follow step-by-step instructions, a beginner will be able to complete these projects and experienced beaders will love to make these quick pieces using the beads they love in new, exciting ways.

About the Author Thomasin Alyxander owns and operates a bead store in northern California along with teaching many classes. Her projects have been featured in publications, and she is a Czech Mates Trend Setter for 2013. She lives in Windsor, CA.
