Be aware, however, that many of these ideas assume that you can solder wire and do other more advanced metalwork.5 of 5 people found the following review helpful. Great For Artists Who Need to Gain Experience!By sbelleI purchased this book with the intention of learning techniques for a variety of jewelry styles. It contains many different designs and directions for each. I am a novice metal-jewelry-maker and appreciate references that help me practice the techniques I learn in classes. I highly recommend this book.1 of 1 people found the following review helpful. Four StarsBy Christine M. WilsonGreat idea's but you need some basic knowledge to attempt and follow these tutorials.

We live in a hurry-up world-so busy crafters will find these quick, inventive ideas for creating spectacular jewelry a godsend. The newest entry in the popular 30-Minute Series offers 60 exciting designs for bracelets, bangles, and cuffs, all featuring easy-to-follow instructions with no more than ten steps. Showcasing everything from pink pearls and

sterling silver to nontraditional and repurposed materials, these varied projects are fresh, fantastic, and fun.

A whopping 60 projects for bracelets I would use this book as a Look Book and a jumping-off point for your own creativity. --Lori Anderson, Pretty Things blog
