I just received it and am already doing projects for my grandchildren friends for the coming holidays. A time saver; great ideas; projects are finished very quickly; instructions are concise and easy to follow. Also, a nice variety of projects. I would love the author to give us more!! Would buy any other books available by Heather M. Love!!0 of 0 people found the following review helpful. Super Great book w/LOTS of ideasBy DianeSuper Great book w/LOTS of ideas!!! MANY for kids, but any can find something in this GREAT Book!!! LOTS of NICE illustrations too! For the deal, I LOVE it!!! I saw this book in Michaels and it was OVER DOUBLE the price I paid for it used. The Condition of the book was phenomenal even being a USED book!!! EASY

projects that ANY can use and make! Use them for donations to organizations? They're EASY AND NOT COSTLY to make! I recommend it to ALL!!!! Even younger kids can find something to make in here!!!7 of 7 people found the following review helpful. Love this book!By Antoinette NadalinI'm really not much of a seamstress but this book has such great projects that I've already dusted off the sewing machine. Clear instructions and great photographs. I would love to see more from Heather Love.
