I absolutely love the simplistic yet artistic drawings, and the concept of coloring for 31 days with an overall "hope" theme. I think I am going to use this book as gifts for my friends, who like me, need a burst of hope during a difficult time. What a fun book!Barb0 of 0 people found the following review helpful. Very Nice!By B. SchillerThis is a lovely devotional type coloring book. Beautiful artwork, and very relaxing to read from God's word while coloring. Very well done... enjoy!

Step out of stress and busyness into the peace and serenity of color aided meditation. Each of the 31 pictures features a word to focus on while you color. The flip side of the page gives the artist a bit of encouragement and a corresponding verse from scripture to delve a bit deeper. The smaller and simpler format allow for a quicker on the go completion of the artwork. In this busy fast paced world, we all need to carve out moments in our day to explore what is inside us, and shut out the noise that steals our peace. 31 days of hope will do just that, bring hope to those moments and clarity to your thoughts. Once completed, share with a friend who needs a word of encouragement.
