The only publications that offer any competition are selections from the exceptional and out-of-print Rheinhold Creative Play Series some of which can be purchase through . I used many, many Usborne publications as well as the Creative Play Series for many subjects when I taught several elementary grade levels.0 of 0 people found the following review helpful. Five StarsBy janculauseGreat book with many ideas!2 of 2 people found the following review helpful. Cute Book Filled With Great Ideas!By AurorraMMMy daughter is always making crafts out of paper. I got this for her birthday, and I think the projects in this book are very unique and fun. I think it is a great book for a kid. (My daughter is almost 8).

This is a fantastic collection of 365 fun, environmentally friendly activities using paper, card and all manner of materials to be found around the house. There's something to do for every day of the year, including a 3D cardboard city, sock monkeys, loo roll mice, foil birds, sweet wrapper bugs and many, many more. Every activity is clearly and

vividly illustrated in an appealing and colourful style, with easy-to-follow step-by-step instructions.
