Lauren Friedman : 50 Ways to Wear a Scarf before purchasing it in order to gauge whether or not it would be worth my time, and all praised 50 Ways to Wear a Scarf:

4 of 4 people found the following review helpful. Great gift! By Kindle Customer This is a great gift idea for almost any woman. It shows you so many different ways to wear a scarf. I got one for my mom and one for a friend. Before I gave it away I thumbed through and learned some new ways myself. I love braiding my scarf now, that is my favorite look. It has a nice cover and look to this book so it's the perfect coffee table conversation starter. 0 of 0 people found the following review helpful. Well illustrated, easy-to-understand guide to wearing scarves By Carly I bought this book as a present for a friend with great style and found myself reading it and am now ready to get my own copy. It's well illustrated with easy to follow directions. I've had some unusually shaped scarves in my collection and have found uses for them, thanks to this book. My friend is going to love it...don't know if I'll be able to wait until Christmas, though... 4 of 4 people found the following review helpful. Great as a gift paired with a scarf. By Pam Tremble I bought this for a gift and it was a big hit! I paired with with a beautiful scarf for my friend's birthday and she sat and looked at the whole book as soon as she opened the gift.

From the Audrey to the Paris, the Top Down, or the Easy Breezy, there are 50 scarf styles in this book for any occasion or mood. Jaunty illustrations break down each step so stylists can wrap, loop, and get out the door looking perfectly polished. Teens, young professionals, and moms alike will love playing around with the looks, including unexpected belts, sarongs, and topknots. Vibrantly illustrated and packaged as a compact hardcover, 50 Ways to Wear a Scarf begs to be gifted with a scarf and displayed on a dresser, plus it's small enough to take scarf shopping. Trs chic!
