Julie S. Hasler, Valerie Janitch : 500 Alphabets in Cross Stitch before purchasing it in order to gage whether or not it would be worth my time, and all praised 500 Alphabets in Cross Stitch:

0 of 0 people found the following review helpful. Five StarsBy Laura KorberVery happy with my purchase7 of 9 people found the following review helpful. Useful graphs and lettersBy jonathaI see why the other reviewer complained about the shortage of alphabets, and can only surmise they were counting letters, not whole alphabets when they created the hyperbolic title. While I would have liked more charts, I imagine that cramming 500 alphabets into one book would make it at least 500 pages long--or micrographically small charts, so I'm content with the number of variations. The charts themselves are large enough to read easily, well colored, and simple to follow. Because of the specific craft I'm using them for--loom-beaded straps--I'd appreciate knowing how many rows high each alphabet runs, but it's a simple matter to count the squares. This gives me a decent starting point, and I can add variations on my
