A selection of patterns which can be used for anything, by knitters and crocheters, and not just for dish cloths. Additional patterns have been developed, available on site. --This book has 33 knit patterns and 27 crochet patterns. I haven't crocheted any up yet but the patterns look cute and fun. The pictures are beautiful! There is a second book like this one, "52 more weeks of dishcloths", printed for 2015, not for sale on yet. I would like to let you know ahead of

time that it only has 8 crochet patterns out of 55 total patterns. Disappointing for a crocheter. And, 5 out of the 8 of those are free on the knit picks website. --
