Leisure Arts : 60 Easy-To-Knit Pattern Stitches (Leisure Arts #932) before purchasing it in order to gage whether or not it would be worth my time, and all praised 60 Easy-To-Knit Pattern Stitches (Leisure Arts #932):

0 of 0 people found the following review helpful. I love all the different patterns that are available in this ...By J. LopezI love all the different patterns that are available in this book. With that said I do NOT like how all the squares are written to be a certain size and I don't like how some of the squares have borders written into some of these squares. I bought this book so that I could knit up some stitches that I haven't tried yet. I would have been happier with this book of they would had included the basic pattern, and it would have been even better if they left the sizes to these squares to be determined by the readers. Now I gotta go in and resize some squares and take out extra borders on squares that I don't want.....0 of 0 people found the following review helpful. Lots of great photos and 60 diff stitchesBy Brenda ClishI am a beginner so I still have to learn how to read the pattern and how to do some of the techniques for these stitches, but the book has examples of the square and numbers it so you can reference back to the instructions. I bought this more to learn the different stitches and patterns than to make the quilt, so I think it will be a great reference for me and I hope to practice each square.18 of 18 people found the following review helpful. Techniques and beautifull stitchesBy FRANCOISE BEAUCHAMP60 Easy-to-knit pattern Stitches afghan is really easy and you learn a lot by doing it.you will learn different techniques and new stitches that you will be able to practice by doing the afghan squares.Put four squares together and you have a big pillow, put 12 (2 wide and 6 long)

and you have a stole or 3 wide by 4 long with baby yarn and you have a beautiful blanket or 4 wide by 6 long and you have a afghan for you . . .a lot of possibilityVery good, yes I recommande it.Francoise Y. BeauchampBois-des-Filion, Quebec, Canada

Design your own knitted Sampler Afghan! Simply select any twenty of the sixty patterns featured here and start knitting. Not only will you create an heirloom design -- you'll increase your knitting know-how with every square you complete.

About the AuthorAdrian House is the author of "The Great Safari, a biography of George and Joy Adamson, and has helped produce documentary films.
