I pulled out all my leftover skeins and started knitting the blocks the day I received the book. They've all turned out looking great. They were fun to make. Some were easy and some were challenging. The author has clearly marked the skill level required. I've knitted 7 already and I just finished the daisy with the little butterfly. I plan on making them all and putting them into a couple of afghans. Some of them took very little time. I've been making them in the evenings while I relax after work. The author is creative and the instructions are very clear. I recommend it highly.8 of 8 people found the following review helpful. Gorgeous flowers By Nikki Ryan I'm a newbie knitter, but I showed this to an old hand, and boy! was she impressed. She didn't think they looked too hard either. We tho't there would be all kinds of variations and possibilities with these blocks. I bet you could even take the flower part out of the block and use it to make a huge bouquet afghan! I hope I can try it soon.
