Leisure Arts : 99 Knit Stitches (Leisure Arts #2973) before purchasing it in order to gage whether or not it would be worth my time, and all praised 99 Knit Stitches (Leisure Arts #2973):

Mediocre knitting patternsBy FredannahEven though I am a compulsive knitter, the book does not contain one pattern that really interests me. I'll probably give it away.0 of 0 people found the following review helpful. My go to knitting bookBy J. ColbyI love this book. I like exploring the different stitches and including them in my own patterns. The instructions are clear, I've learned a lot of new terminology. There are a couple of projects at the end, but this book is really an encyclopedia of stitches. Not a flashy book, most of the photos are black and white. I have been knitting for 25 years.

As easy to use as a dictionary, this giant knitting book includes step-by-step instructions and close-up photos for 99 beautiful pattern stitches. You'll consult this handy reference time and again. You also get 7 eye-catching projects using the stitches.
