Billie Lythberg, Sian Northfield : A Bloom a Day: A Fortune-Telling Birthday Book before purchasing it in order to gage whether or not it would be worth my time, and all praised A Bloom a Day: A Fortune-Telling Birthday Book:

1 of 1 people found the following review helpful. PERFECTBy CherylPerfect...I have shared this beautiful, fun book with many of my girlfriends (bought over 15 copies) I think all women and some men would love to looks through this beautifully photographed blossoming book and read about their own flower fortune and then all of their friends B-day.1 of 1 people found the following review helpful. Beautiful photosBy qtumsbrownThis is the perfect coffee table book for anyone who loves flowers. The photos are absolutely beautiful and I had no idea there were so many flowers out there that I had never heard of. Each day of the year is represented by a flower and a little description of the personality of those born on that date. It's just harmless fun. I actually bought 2 of the books. We'll worth the money.0 of 0 people found the following review helpful. It blooms again!By Kaola W. SmallwoodI have gifted so many copies of this book. It is a "hit" yet again. I hope my friend will also derive many hours of pleasure sharing it with her friends.

Nature's most beautiful works of art, flowers have reigned for centuries as symbols of love, gratitude, friendship, and remembrance. In *Bloom a Day*, celebrated photographer Ron van Dongen matches each day of the year with its corresponding blossom. Each portrait is then paired with a fortune that uncovers the meaning of that flower and reveals the personality and destiny of those born on that day. A gorgeous photography book van Dongen's work captures the rich color, exquisite detail, and sensual form of 366 different flowers. *Bloom a Day* is also a delightful book of divination. It's a lovely gift for seekers and flower lovers alike.

About the Author Photographer Ron van Dongen was born in Venezuela, raised in the Netherlands, and studied photography in San Francisco. He lives in Portland, Oregon.
