Tom McComas, James Tuohy : A Collector's Guide and History to Lionel Trains: Prewar O Gauge (Lionel Collector's Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Collector's Guide and History to Lionel Trains: Prewar O Gauge (Lionel Collector's Guide):

0 of 0 people found the following review helpful. Four StarsBy CustomerGood reference book.1 of 1 people found the following review helpful. Very good for its day, but quite dated today and there are a lot of better books on prewar Lionel out there.By NachtjagerAs a reference piece it's quite dated and has been bettered quite a bit since it was printed. Worth getting just to complete your library, but don't pay too much for this one and don't expect an overload of data you've not seen in other publications. It was great in its day, but much more research has been done since this was printed.
