**Julia Bottomley ed Burke Emma Maxwell : A complete course in millinery; twenty-four practical lessons detailing the processes for mastering the art of millinery; a text book for teachers of millinery. A guide for the millinery workroom** before purchasing it in order to gage whether or not it would be worth my time, and all praised A complete course in millinery; twenty-four practical lessons detailing the processes for mastering the art of millinery; a text book for teachers of millinery. A guide for the millinery workroom:

1 of 1 people found the following review helpful. Good info, bad photosBy redcurlygirlI realize that this was copied

from the original from the Library of Congress but the photos are muddy and hard to see. When you buy an instructional manual you expect to be able to learn from the photos...4 of 4 people found the following review helpful. Pages 16 and 17 are illegibleBy Mary S. RollinsThinking the problem was specific to one copy, I returned the copy for a replacement. The same problem with the second copy. Frustrating.I love the book itself. Very detailed instructions include pictures of stitches and technique. Easy to follow. Would be a great textbook for a class.Trying to decipher missing info on pages 16 and 17. Going to try to find a copy at the library to copy those pages if I can't.1 of 1 people found the following review helpful. Wonderful reference!By Sandy SWonderful reference material for someone interested in making their own hats. Millinery is somewhat of a forgotten art and I am pleased to find instructions in that art

This reproduction was printed from a digital file created at the Library of Congress as part of an extensive scanning effort started with a generous donation from the Alfred P. Sloan Foundation. The Library is pleased to offer much of its public domain holdings free of charge online and at a modest price in this printed format. Seeing these older volumes from our collections rediscovered by new generations of readers renews our own passion for books and scholarship.
