There are always pieces you love and then those you'll treasure. I can't do justice to the variety here. This is the 2002 edition and contains everything from a skinny Kris Kringle to a three dimensional window scene, to a snow man ornament garland. Ideas abound and as I have said in the past, don't pass this up. It truly is a treasure.1 of 1 people found the following review helpful. Great BookBy TinkerbellWas very excited to find this book with Patricia Andrie's Hardanger Christmas Church Angel. It also has lots of cross stitch patterns. Great find and wonderful buy.0 of 0 people found the following review helpful. Highly recommended for future purchasesBy dacBook was pristine, communication and interpersonally pleasant!
