Such a wide variety of projects, and some very unusual designs (including an elaborate angel tree topper, a reindeer tree skirt and several incredible 3D gingerbread houses!) Many of the designs are for fairly large projects that would definitely be time consuming, but there are a number of quicker ornament designs as well. Very happy to add this book to my collection, and at a great price!3 of 3 people found the following review helpful. Excellent book.By Carol McHargueReceived this yesterday and couldn't be happier.It is a hardback, easy to follow instructions, and lots of charts that will appeal to wide range of stitchers.The price is a steal for this many projects.5 of 6 people found the following review helpful. Counting on a Cross-stitch Christmas!By chattyk8Wonderful Christmas Cross-Stitch book! It is chockful of awesome patterns to add more merriment to your holiday decor or to make as a special gift for someone for the Holidays! Highly recommend!
