**Eve Mahr : A Cross-Stitch Christmas: Heartfelt Holidays (Better Homes and Gardens)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Cross-Stitch Christmas: Heartfelt Holidays (Better Homes and Gardens):

7 of 7 people found the following review helpful. Classic Christmas BHGBy CustomerDo not pass these BHG books up. Particularly if you are looking for a timeless piece to pass on as a memory. You can't beat any of these books. And, they are getting harder and harder to collect. You always need one when you can't find one. There is something for everybody in each book. Even if you only find one thing you want to make in the book today, you're ahead of the game. Check out the curent prices and compare them to regular pattern pieces. Many of these are less than \$1.00. Find a pattern, let alone a variety that runs that modestly today. Preserve a tradition. At the very least, you've purchased a wonderful gift for a stitching friend, or to pass on to the next generation of Cross-Stitchers. My copy was pristine when it arrived. This is out of print so strike while the iron is hot.2 of 2 people found the following review helpful. Cross-Stitch bookBy Richard TreneryThere are many wonderful projects in this book, I know any one of them would appeal as a project for the Christmas holidays. I made several as gifts and for myself. So many are simple and fast to make. Recommend this book for anyone looking for wonderful holiday projects.0 of 0 people found the following review helpful. Five StarsBy BarbaraExcellent condition...great book
