A Fun Way to Learn to Crochet for Kids by Rita Weiss and Jean Leinhauser introduces a new method of teaching young children the simple basics of crochet. For each crochet stitch or technique, an actual-size drawing is presented so that the child can place her work on the drawing to be sure that what she is doing is correct. Kid-friendly

explanations and instructions accompany the illustrations. After learning the basics, children are invited to practice their new skills on five simple projects: In a Hurry Headband, Sacks for Your Stuff, Tablet or E-Reader Sack, All Stripes Scarf, and Roll-Up Holder for Your Hooks or Pencils.
