**Connie Amaden-Crawford : A Guide to Fashion Sewing (4th Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Guide to Fashion Sewing (4th Edition):

2 of 2 people found the following review helpful. Quite good. I already have her book on draping and ...By GabrielQuite good. I already have her book on draping and her sewing dvd so it seems to me it would be a shame not to go on. C. Amaden-Crawford is quite talented in transmitting her knowledge to home-sewers (her major target I assume). As the tailoring enthusiast I am, this book is absolutely not adapted but as the fashion student I am also, it's a pearl. Clear diagrams and instruction for what my teachers and I would call top-notch home sewing or basic technical sewing. It's good to have a book not too amateurish but with good, effective and quick methods.Price : I just saw the new edition about 95\$... o-0 What???! Okay, the book is good and I go back to it anytime I'm in the need for quick sewing, but I don't think it's worth 95 bucks. Anyway, if you're a homesewer or a fashion student, no doubt this book will be usefull.1 of 1 people found the following review helpful. My go to sewing hadbookBy Nky AThis book is full

of straightforward explanations on a multitude of sewing and garment construction techniques. Initially I didn't think I would like because it's not full of real life, color photographs and instead uses simple drawings; however the explanations of the various techniques are VERY simple and straightforward and easy to understand. As a sewing novice, this book is my first line of defense when I come across a new sewing techniques and need to learn how to do it properly, much more so than my other colorful books with lots of photos. A must have for any new seamstress! 0 of 0 people found the following review helpful. Scholastic and detailed. By CA Very scholastic. Informative book.

This new edition of the highly successful classic on fashion sewing retains the large helpful illustrations and easy-to-read text of previous editions. The text is organized in a step-by-step, start-to-finish style coupled by thousands of enhanced visuals. Amaden-Crawford helps the reader create fashionable and professional looking garments for women, men and children.

About the Author Connie Amaden-Crawford is a former instructor at the Fashion Institute of Design and Merchandising, in Los Angeles, California. Her professional experience includes positions as a patternmaker, grader and design consultant. She is currently President and CEO of Fashion Patterns by Coni and is a nationally recognized fashion specialist. She has been featured in magazines such as Threads, Sew News and Notions and was a guest speaker on ABC's TV series HOME. She is the author of the bestselling Guide to Fashion Sewing 3rd Edition, and The Art of Fashion Draping 3rd Edition.
