Anne Chambers : A Guide to Making Decorated Papers before purchasing it in order to gage whether or not it would be worth my time, and all praised A Guide to Making Decorated Papers:

2 of 2 people found the following review helpful. Disapointing...By SILVA, MANOEL ARTURJust pictures, without history or explanations...It works as a consulting book on design, but that's all. I don't recomend it.

First edition. An excellent practical guide to making paste, block-printed and stencil papers. Also covers the art of Suminigashi, Oil Marbling, and Orizomegami. Each technique is defined and then the materials and methods described. Well illustrated, with several stunning photographs of the papers in color. 79 pages. boards, dust jacket.. 8vo..
