A Matter of Tail Read Aloud Time is : A Coloring Book with a twist. In this volume, I've combined the surging popularity of grown-up coloring books with my natural instinct to draw and one of my favorite activities: writing poems for kids. Each spread has hand-drawn images to color combined with a poem about how Mr. Lion lost his tail. You have 11 hand drawn illustrations for the mom or dad to color, and a poem to be read to your child. When you finish with the coloring you will have a tender picture book for your child. This 32 page book is the perfect place to

color, relaxing and celebrate your creative journey!
