**Evelyn; Margaret Schucker Anderson : A Miniature Patchwork Christmas** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Miniature Patchwork Christmas:

0 of 0 people found the following review helpful. Five StarsBy hillary hicksonlove it

"...a novel combination of three fine traditions. A tree, made of wood dowelling is borrowed from an old Swedish custom. To it are added hand sewn ornaments which have long been a staple for Christmas decorating in America. When these two are combined with the many elaborate patterns from the world of patchwork and quilting, a brand new holiday decoration is created." (from the preface)
