Recommend to all, clear directions and beautiful color.0 of 0 people found the following review helpful. Five StarsBy Mary Jo NeyerIt's a beautiful book and makes me wish I was more skilled in stitching than I so far am.0 of 0 people found the following review helpful. Just what I was looking for.By Love to SewRating was because all that was discribed was very true. Pictures with instructions very good in book. Just what I was looking for in an instructional book.

Classic Baltimore Album-style blocks are fancied by quilters around the globe. Create these images in miniature with instructions for more than 30 blocks and illustrations for 60 embroidery stitches.
