(author) Seval Auener : A Singular Art: A Theoretical and Artistic Survey on Miniature (Paperback) - Common before purchasing it in order to gage whether or not it would be worth my time, and all praised A Singular Art: A Theoretical and Artistic Survey on Miniature (Paperback) - Common:

This book is a documentation on miniature and use of traditional arts in contemporary art. The starting point is to achieve a study on different ways of representation by considering the two basic features of miniature art, viz. reverse perspective and open composition. They might be a hint to capture another way of representation, which can imply a different way of seeing. After a theoretical sur...
