6 of 6 people found the following review helpful. a good look at model photographyBy Robert Pattersonthis is an oldie but not outdated book of exceptional photos done by people with exceptional talent. You cannot turn a page without encountering a new idea. there ia a balance of levels of photography that is difficult to harness, the ideas and the handling of scenes gives both to the rank amateur and the professional modeler/photographer a sense that the editors

are speaking directly to you, the reader.... A good buy for any and all....0 of 0 people found the following review helpful. The photography tips are great.
