Eve Botelho : A Workshop with Eve Botelho: Thread Painting before purchasing it in order to gage whether or not it would be worth my time, and all praised A Workshop with Eve Botelho: Thread Painting:

0 of 1 people found the following review helpful. Five StarsBy Carol LGreat book, gorgeous, inspiring work.

This is a How To book on machine embroidery. The book is a step bt step guide demonsatrrting how to air brush the back ground. Followed by a guide to how to use the sewing machine to create, Thread Painted Landscapes, using three stitches. There are four projects and beautiful details of phtographs.
