These designs DO NOT require specialty equipment, a few pair of jewelry pliers, wire and various baubles set you free to create. You are encourages to experiment with shapes, beads, colors, and dangles. This is a fun book of ideas you can create for yourself and as gifts to others.0 of 0 people found the following review helpful. Lots of variety!By satisfied shopperI found this book to be very helpful. There were styles I hadn't thought about and pretty easy to duicate. I may order another for a friend whose just starting to make jewelry. Basics were offered in a simplistic way. This was a good buy.0 of 0 people found the following review helpful. Shows how to wire

wrap for easy beginners and some for more advancedBy Judy C.Many designs and types of earrings. Shows how to wire wrap for easy beginners and some for more advanced. Shows how to make with different types of beads, wires, and findings. Shows how to make flowers, chandeliers and also using chains, discs, tassels, hoops and many more. Pictures are good, instructions are well written. Recommend this book.

Based on one of BeadStyle Magazines most successful special issues, A Year in Earrings offers a different earring design or project variation daily for an entire year. The front matter has been expanded to include design ideas, clarification of types of ear wires, directions for making ear wires, tips and shortcuts, and an explanation of what metals are best to use in earrings for those with metal allergies. Making a different pair daily is easy and quick thanks to clear photographs, step-by-step instructions, complete materials lists, and carefully explained basic techniques. These earrings use a full spectrum of materials glass, crystals, metals, chain, wood, charms, Lucite, and everything in between. Individual designs include Sparkling Circles, Natural Chandeliers, Keshi Pearls, Bold Hexagons, and many more. A Year in Earrings offers beaders a wealth of projects to make and show off.
