From Country Bumpkin : A-Z of Embroidered Flowers (A-Z of Needlecraft) before purchasing it in order to gauge whether or not it would be worth my time, and all praised A-Z of Embroidered Flowers (A-Z of Needlecraft):

0 of 0 people found the following review helpful. so I was super glad to find oneBy CustomerJust what I expected. I had this book before, but misplaced my copy, so I was super glad to find one.1 of 1 people found the following review helpful. lots of lovely flowers to embroiderBy pkdIf you are making a floral bouquet you are sure to find the flower and its treatment here. I came up with some lovely ideas for a placemat for my mom from this book. She loved it!0 of 0 people found the following review helpful. A-Z of embroidered flowersBy Phyllis E.Wonderful book, thank you!

A delightful guide to recreating an alphabet of blooms, from Alyssum to Zinnia, through the intricate medium of embroidery. Garden enthusiasts and embroidery lovers alike will enjoy poring over this handy guide for inspiration on how to replicate their favourite floral bouquets using needle, thread and plenty of creativity. Part of the prolific Search Press Classics A-Z of Needlecraft series.

One of the latest titles in this series presents over 100 designs from Acacia to Zinnia, including both popular and less

well-known floral examples. Several different interpretations are given for many of the plants, and for added interest, the page presentations include either an historical or horticultural note or a poetic quotation. Trace-off templates are included together with details of stitches and threads used. This is a delightful book and a useful addition to any embroiderers' library. East Kent Embroiderers Guild November 2016 Embroidery is a wonderful opportunity to become completely absorbed in a very satisfying hobby, easy to pick up and put down working on an embroidery project can help you relax and practice mindfulness. This delightful book provides designs for a host of beautiful flowers. Hot brands, Cool Places There is something extra special about adding a little touch to an item and making it personally yours. I love adding little touches to presents that make them unique and even more beautiful. Embroidery can add so much more to an item and flowers just make it so precious. This book takes you through so many amazing flowers to embroider with some beautiful designs. There are the most clear and amazing pictures to help you with the different techniques. You can learn to embroider everything from an Alyssum to Zinnia. There are so many techniques used in this book. Everything from basic embroidery to using ribbons or fabric. This book is so jam packed full of different flowers that you can embroider. All of them are easily identifiable. The book goes through each flower in alphabetical order. There are some that have step by step instructions to help you to learn the different techniques. This however isn't on all of the flowers. Then at the back of the book are all the patterns you will use to create each of the flowers. Crochet Addict UK Love embroidery? Love flowers? These floral designs will help you to create the flowers you love in embroidery. You'll find instructions for a plethora of flowers plus a little info on the flowers themselves. There are also quotations about flowers. Over 60 flowers are included. For each embroidery you'll find the requirements for thread and needle, and you can see the stitches used at a glance. There is also a clear order of work and a key for each one. The embroideries are by different people and you will find multiple embroideries for some species such as Pansy and the related Viola. I love the Callistemon, Buddleja, Myosotis, Fuchsia, Hydrangea, Iris, Pansy and Tulips. YarnsandFabrics.co.uk Sep 05 Another in the successful A-Z series. Here, 100 glorious blooms are brought to life with needle and thread. This is a fabulous book of designs with easy to follow instructions, full size patterns and wonderful step-by-step photographs. This is, once again, a fantastic source book for any needlewoman and a real 'must have' for the bookshelf. Fabrications About the Author Compiled by the expert team at Country Bumpkin, renowned Australian publishers of embroidery books and magazines.
