The author's love of model making, and railways, shines on every page. The writing is clear and there are plenty of pictures and diagrams to help you along. I must agree with the reviewer who expressed surprise that this title ever went out of print.0 of 1 people found the following review helpful. Five StarsBy Hans Hilmer ThomsenThe book arrived well - and I am satisfied.9 of 9 people found the following review helpful. Book is simply amazing!By A CustomerEverything from how to store CA glue longterm to beautiful descriptions of building railroad cars step-by-step in all scales. Plenty of pictures and scale drawings explaining techniques. Don't know how this book ever went out of print.
