**Coloring Book For Adult : Adorable Elephant:: Stress Relieving Elephant designs for Adult!** before purchasing it in order to gage whether or not it would be worth my time, and all praised Adorable Elephant:: Stress Relieving Elephant designs for Adult!:

1 of 1 people found the following review helpful. Great designs.By ThatCrazyGlassesGirlReally excited for this coloring book. It arrived today and I have yet to actually draw in it. There are plenty of beautifully intricate designs in this book, and I am really excited to color in it. Each picture is on it's own page so if you wanted to use markers you could totally do that, although I would put a piece of scrap paper between them. I'm pretty happy about this purchase.3 of 3 people found the following review helpful. Three StarsBy CustomerI love elephants and I expected the pictures (once colored) to be frameable...not!0 of 0 people found the following review helpful. I love this bookBy MeranaamdestinyI love this book! I love all the designs and I love that the pages are one-sided. With the pages being one-sided it allows me to use both markers and gel pens which gives me a variety of coloring methods to choose from.

The downside of it is that the pages are a bit distorted because they were stretched to fit the page, but it can easily be overlooked because they look amazing when colored.

Adorable Elephant: Stress Relieving Elephant designs for Adult! This adult coloring book has over 40 Adorable Elephant Designs. Coloring enthusiasts would definitely love this one. Designs range in complexity from beginner to expert-level. We have carefully selected the best Elephant designs from our favorite artist to give you the best coloring experience.
