**Rolf McEwen : Adult Coloring Book - Architecture in Spain** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Adult Coloring Book - Architecture in Spain:

This book is a collection of black white drawings made by an architect during the 1850's and 1860's in various locations in Spain. They provide beautiful images suitable for coloring by adults who wish to relax and get relief from stress. Plenty of inspiring art herein will provide inspiration for coloring with artistic flair. Enjoy.
