John Montroll : African Animals in Origami before purchasing it in order to gauge whether or not it would be worth my time, and all praised African Animals in Origami:

0 of 0 people found the following review helpful. This book has some great models in it By Kevin Jenny Jensen This book has some great models in it. Montroll's origami is easy to follow but still challenging. And the results are great! I particularly like the chameleon, bee-eater, lion, zebra, and giraffe from this book. 0 of 0 people found the following review helpful. Great origami projects By Sandra Price Some more involved than others. I expected more easier origami projects. I need to take a lot more time practicing. Some are much more difficult than others, which allows people with varying abilities to use this book. Very nice. 0 of 0 people found the following review helpful. Four Stars By Richard Haviland Too difficult for a beginner otherwise very good.

Over 1,200 clear and easy-to-follow diagrams guide paper folders step-by-step in the creation of 24 African animals:

lion, elephant, crocodile, gorilla, rhinoceros, gazelle, flamingo, and more. Projects range from simple to complex, making this collection ideal for both beginners and advanced origamists. 1,230 black-and-white illustrations.

About the Author Internationally renowned author John Montroll has significantly increased the origami repertoire with his original designs. Best known as the inspiration behind the single-square, no-cuts, no-glue approach, the American origami master offers readers meticulously developed folding sequences that allow them to create better models with fewer steps.
