Jade Summer : Alice's Adventures in Wonderland: An Adult Coloring Book with Fantasy Themes and Mythical Creatures (Based on the Classic Fairy Tale by Lewis Carroll) before purchasing it in order to gage whether or not it would be worth my time, and all praised Alice's Adventures in Wonderland: An Adult Coloring Book with Fantasy Themes and Mythical Creatures (Based on the Classic Fairy Tale by Lewis Carroll):

4 of 4 people found the following review helpful. 25 x 2 each Highly Detailed Alice in Wonderland designs printed one side of the pageBy iiiireader[[VIDEOID:55aadb7324729c36824e4e2757f91a]]I am a huge fan of Alice in Wonderland and like to pick up different artist's interpretations of the story. This coloring book has 25 different Alice

designs (the referenced 50 comes from getting two of each of the designs.) The designs are very detailed with lots of swirling lines. A few of the designs have intricate spots with small areas to color but for the most part, most standard coloring medium nibs should work fine. I think crayons might be more difficult unless you can sharpen them to a fairly fine point. While you can have access to .PDFs when you purchase this book, my review is based on the book as it is received from . That way you will know what the pages look like and how they accept color. I like that the publisher provides the digital version as well so you can choose the paper you wish to use and/or to color the pictures as many times as you choose. This is what I found while coloring in this book and testing the paper with my coloring medium: 25 x 2 Designs based on Alice's Adventures in Wonderland Designs are printed on one side of the page Paper is typical of CreateSpace: white, thin, slightly rough and non-perforated. The back of the page is printed black which is something I am find typical of Jade Summer coloring books. The designs do not merge into the binding. There is a heavy framing line at the outer edges of the design to give the project a more finished look, especially for framing. Glue Binding (there is room to cut the pages out if you choose to do so.) Though you cannot see the bleed-through easily due to the back of the page being printed in black, I recommend the use of a blotter page when working in this book. I use a page of card stock or several sheets of heavyweight paper under my working page. It keeps seeping ink and marring dents from ruining the pages below. Alcohol-based markers bleed through the page quickly. Water-based markers bleed through in spots. Gel pens and India ink pens leave shadows on back of the page. India ink can bleed through if you apply heavily or multiple coats. Coloring Pencils work well with this paper. I found that I could layers the same color for deeper pigment or multiple colors and I could blend easily using a blending stick. I tested both oil and wax based pencils. I also found that hard lead pencils leave dents through the paper. 3 of 3 people found the following review helpful. ... and the pages are not perforated so it's not easy to tear them out of the book By MICHELLE (Me'shelly) I have several different coloring books and the pages are not perforated so it's not easy to tear them out of the book. And if your coloring with markers that bleed through pages, you'll want to tear out the pages or remember to put a few sheets of paper under the one you're coloring so you don't ruin the picture underneath. This is a larger coloring book that is filled with a variety of illustrations. The cover picture is included in this book on the first page, in its entirety. And After a long day of work and all of life's noises it's nice to indulge in the complex designs by the adult coloring book which let the creative juices flow. Or like me in between calls this is great to pass the time! 2 of 2 people found the following review helpful. Not my cup of tea By Deb WAS a fan of Jade Summer's Hidden Garden and Magical Forest coloring books, I snagged this AIW coloring book as soon as I saw it. However, I was not happy with it. Paper should be heavier. I am by no means an artist, but Ms Summer must improve her renderings of faces and people in general as they impressed me as a bit amateurish and in need of more detail. The backgrounds and florals were quite nice as usual, but I gave this book away. I remain one of her fans and will look for more of her coloring books in future - but not like this one.

Adult coloring books by Jade Summer are the perfect way to relieve stress, aid relaxation, and discover your inner-artist. Every coloring page will transport you into a world of your own where your responsibilities will seem to fade away About Jade Summer Jade Summer is a brand owned by Fritzen Publishing LLC. Our team's mission is to help people release their inner-artist and enjoy healthier lives with reduced stress. Join Our Community View completed coloring pages made by fans across the world and share your own creations. Jade Summer books are a gateway to an active and friendly community of fellow colorists.
