I haven't made one yet so this isn't a review of the actual sewing pattern, but there is plenty of inspiration.

For every quilter there's a mound of scraps, and for every scrap there's a quilter wondering how to use it! To keep up with the demand for designs--because everyone loves scrap quilts--we've collected gorgeous projects from a wide range of quilt experts, including Kim Diehl, Mimi Dietrich, Sally Schneider, and many more. Choose from 18 stunning quilts featuring fabrics from varied and plentiful stashes. Enjoy beautifully photographed projects with step-by-step instructions. Find designs that include everything from pinwheels to stars, Depression-era patterns, and optical illusions.

About the Author Since 1976, That Patchwork Place has been publishing quilting books, garnering a thoroughly deserved reputation for excellence and originality.
