For God and StickingBy NycbornIf you love cross stitching and you are inspired by hymns then this is the book for you to buy.2 of 2 people found the following review helpful. Most Beautiful!By karlakraftsOf all the many cross-stitch books I've purchased, this one is by far the most beautiful. "How Great Thou Art" is the most gorgeous of the included designs, in my opinion. I am currently looking for Collections One and Three.

Believers throughout the ages have felt the glorious presence of the Creator as they lift their voices in songs of

worship, contrition, and awe. It is the anticipation of that sweet union that inspired authors and musicians to pen the moving stanzas and rousing refrains of these beloved hymns. Each is carefully charted for cross stitch and presented with the story behind the song's creation.
