William C. Ketchum Jr. : American Country Pottery before purchasing it in order to gage whether or not it would be worth my time, and all praised American Country Pottery:

0 of 0 people found the following review helpful. Five Stars By Sylvia holland Very nice book, lots of knowledge! Thank you, blessings!
0 of 0 people found the following review helpful. Two Stars By David Stoxen not as expansive on the subject as I expected
0 of 1 people found the following review helpful. His material is well organized with pictures and descriptions that lead to a better knowledge of these materials
By Customer Bill Ketchum is the authority on all things pottery! He is highly respected by the group of Stoneware Dealers who meet semi-annually in Bennington, VT. His material is well organized with pictures and descriptions that lead to a better knowledge of these materials.

The most complete, authoritative, beautiful and lavishly illustrated book yet published on the most collected pottery in America, yellowware and spongeware. 115 full-color photographs.
