Beautiful artwork, as expected from Tom Tierney paper doll ...By binski83Beautiful artwork, as expected from Tom Tierney paper doll sets. I bought this particular one to go with my daughter's history lesson. She wasn't as impressed as I was, but she's 8 and this is her first ever introduction to paper dolls.

Spanning three generations, an American colonial family of eight is shown in period attire in a variety of situations as they live out the drama of the American Revolution and its aftermath.The 32 authentic costumes are further enhanced by Tom Tierney's well-researched and scrupulously accurate text. Together they offer fashion and costume historians a precise, full-color view of prevailing fashions and trends of the late eighteenth century. Paper doll enthusiasts of all ages will delight in these finely rendered figures in typical Colonial raiment, while aficionados of Americana will follow with rapt attention this sartorial record of one family's progress through pre- and post-Revolution to a final frontier expedition.
