Delores M Andrew : American Sampler Designs (International Design Library) before purchasing it in order to gauge whether or not it would be worth my time, and all praised American Sampler Designs (International Design Library):

2 of 2 people found the following review helpful. Not what I expected By B. Bobik A reoccurring problem with is there are not enough product pictures to let the buyer know exactly what they are getting. This book was a case in point. After it arrived, there really were no charts just drawings making it worthless to me.

The collected tales of the author, featuring kings and queens, wizards and witches, spells and other magic.
