The emphasis is on clothing, popular culture and sports equipment. Will be welcome in public libraries.Library Journal. Youll be delighted by this diverse collection....Includes historical and cultural background, detailed diagrams and guidelines on materials, equipment and techniques. An assortment of petite projects as exciting and eclectic as the nation that inspired it!Doll Castle News.

From Library JournalWisconsin miniaturists Santovec and Orgreenc take a different approach with their step-by-step

projects for miniature items of Americana from Native American to contemporary sports. The emphasis is on clothing, popular culture (e.g., an aluminum Christmas tree), and sports equipment. No room settings are provided. Copyright 2002 Reed Business Information, Inc.
