**Sayjai Thawornsupacharoen : Amigurumi Crochet Patterns: Easy and Cute Patterns for Little Dolls** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Amigurumi Crochet Patterns: Easy and Cute Patterns for Little Dolls:

This crochet pattern collection consists of five beautiful and easy crochet patterns: the Little Girls, Puffy Pals, Garden Pals, Little Duckies and Little Eggs. The Puffy Pals are easy to make and include 7 different animals. The Little Girls

make a great gift for every girl to play with. The Little Duckies are designed for Easter and come with Little Eggs. The Garden Pals include patterns for a bee, butterfly and many other garden critters. The Garden Pals have the same basic pattern as the Puffy Pals. A basic knowledge of crochet is assumed: you have to know the basic crochet stitches to make the dolls. The basic stitches are: chain, single crochet, double crochet and half double crochet. These are not explained. The Puffy Pals are the easiest to make: if you know how to do single crochet, you can make the Puffy Pals.
