O Jentor : Amsterdam Coloring Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Amsterdam Coloring Book:

0 of 0 people found the following review helpful. Will frame the pics and enjoy them as isBy CustomerThe black and white prints in this book are very artistic and appealing, but I would not consider coloring them. I have many color books and the pictures are clearer and less detailed allowing for coloring space. This book appealed to me since I am dutch and have been to Amsterdam many times. Will frame the pics and enjoy them as is.

Amsterdam Coloring Book for Adults Travel and Color This adult coloring book is 8.25" x 8.25". Color while you are sitting on your couch with a coffee or tea. This square sized book makes it easy to color in your free time. The images are pleasing and calming allowing to relax and lose yourself in the imagery. 36 Amsterdam and Dutch scenes ready to be reimagined using your favorite coloring tools. This adult coloring book features 36 characteristic images of Amsterdam that take you to the city. Each scene is printed on the front of the pages only so the chance of bleeding through and ruining your creations is reduced. There is a test page on the front of the book to test your materials.
