**Amy Butler : Amy Butler Decoupage: Fresh, Decorative Projects for the Home** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Amy Butler Decoupage: Fresh, Decorative Projects for the Home:

0 of 0 people found the following review helpful. Five Stars By Linda S. book provides good crafting ideas 0 of 0 people found the following review helpful. Technology needed By Jill B. I like some of her other design work better, especially work in her bag book. Would have liked the designs on a CD where they could be scaled to the appropriate size easier. 0 of 0 people found the following review helpful. I thought there would be more ideas. But the ... By Customer I thought there would be more ideas. But the book is ok.

Add Amy Butler's unique design sensibility to furniture, lamps, vases, picture frames, and more with decoupage. Featuring a 28-page booklet offering step-by-step instructions for 12 projects using this simple technique, plus 80

sheets of decoupage-weight paper printed with 19 of Amy's signature patterns, this portfolio contains everything beginners and pros alike need to create stylish new looks for the home.

About the Author David Butler is the vice president of Innovation and Entrepreneurship at The Coca-Cola Company and is responsible for Coca-Cola's Accelerator Program designed to generate early-stage, high-growth startups. Under David's leadership, Coca-Cola has been recognized with numerous design awards, including the prestigious Grand Prix from the Cannes Lions International Advertising Festival. In 2009, David was recognized by Fast Company" as a "Master of Design" and by Fortune "for its 2013 Executive Dream Team. David is a member of the World Economic Forum's Global Agenda Council on Design and Innovation.
